Subject: Re: Digitek parameter review

Connie -
70926A1 and 70953A1 have Assays too low (96.2% and 97.3%). We are looking for 71004A1.

Subject
Digitek parameter review

Suzanna,

Do the following lots meet UDL parameters for Digitek 0.125 mg.?

Lot numbers 70926A1 70953A1 or 71004A1

Please advise!
